The goal of the Mental Health Scholarship Program One Year Residency (MHSP/OYR) is to contribute to New York City’s community mental health services system by increasing the pool of skilled professionals employed in community-based agencies in contract with DOHMH by providing a tuition paid graduate social work education to employees that meet the requirements. The MHSP/OYR scholarship is available to 20 applicants that meet both DOHMH and OYR requirements in each calendar year.

Acceptance into this Program is contingent upon agency commitment to provide an educationally sound field placement, a certified field instructor and time off during work hours for the employee to attend classes during their field year. Given the requirements of the MHSP/OYR, it is crucial you discuss this with your agency leadership prior to applying.

Please Note: **THIS IS NOT an application for the MHSP/OYR Program; this is a Letter of Intent for DOHMH.** If you are deemed eligible, someone from DOHMH will contact you about the next steps.

Please complete the Eligibility Section to see if you meet eligibility for the Mental Health Scholarship Program.
